When I donate, will I get a receipt?

When you donate through the Free Speech TV website or our call center, you will receive an automated confirmation email that serves as your donation receipt. If you do not have an email address on file with us, you may request a paper donation receipt by calling 303-442-8445 or emailing development@freespeech.org.

If we have your email on file, we'll also send you a complete list of your donations at the end of the year.
