What about when I see sponsors or underwriters on FSTV?

FSTV Information · https://freespeech.org/help-page/what-about-when-i-see-sponsors-or-underwriters-on-fstv/

Sponsorships and underwriting are a critical revenue source for nonprofit organizations, FSTV included. These are not advertisers and have no bearing over our editorial content or direction. Sponsors and underwriters come to FSTV who share our values and want to contribute to our mission, just like donors and viewers like you do. We’re required to let viewers know who is contributing to the network, and even if we weren’t, we value transparency and want you to know! We’re grateful to everyone who contributes to FSTV’s mission.
